THE MAVERICK DESK COLLECTION

NAPA

NAPA | The 21st century welcomes new design concepts. From innovative thinking comes the Napa Series. A combination of leading contemporary design and cutting-edge new-age materials. Combining the proven elements of our other collections and adding new curves and accents yields Napa. This crossover design lends a bold new look to any office environment.

STANDARD FEATURES

- Tops feature 1 1/8" solid hardwood edge with reverse knife-edge detail
- Curved panels are standard on desk and bridge
- Silver-finish risers on desk worksurfaces and regular credenzas make the work surfaces appear to float

Shown on cover...
NA3L with conference credenza and hutch with glass doors. Shown in Honey Pecan with optional aluminum dot modesty
