Maverick Desk

MAVERICK | **The original - and still the best!** This all-laminate design is sure to meet every office requirement with more than 400 items to select from. Durable 1" thick thermally-fused melamine work surface and chassis in 16 colors make the Maverick Series top-of-the-line in style and durability. With Maverick Series it is always your customized office furniture built in the color combinations of your choosing.

STANDARD FEATURES

- Worksurface and chassis feature 1" thick thermally-fused melamine for durability
- ¾ pedestals with full-extension ball bearing slides on all drawers for smooth articulation
- ¾ modesty panels allow for easy access to electrical and data ports

Computer desks are standard with grommet and keyboard tray

Maverick Series 3 mm work surface banding withstands the demands of any office environment

Maverick Series standard box/file drawer configuration offers convenience and flexibility. File drawers feature 100 lb.-test slides

THE MAVERICK DESK COLLECTION

QuickShip

48 HOUR

QUICKSHIP | The Fastest Desk in the West!

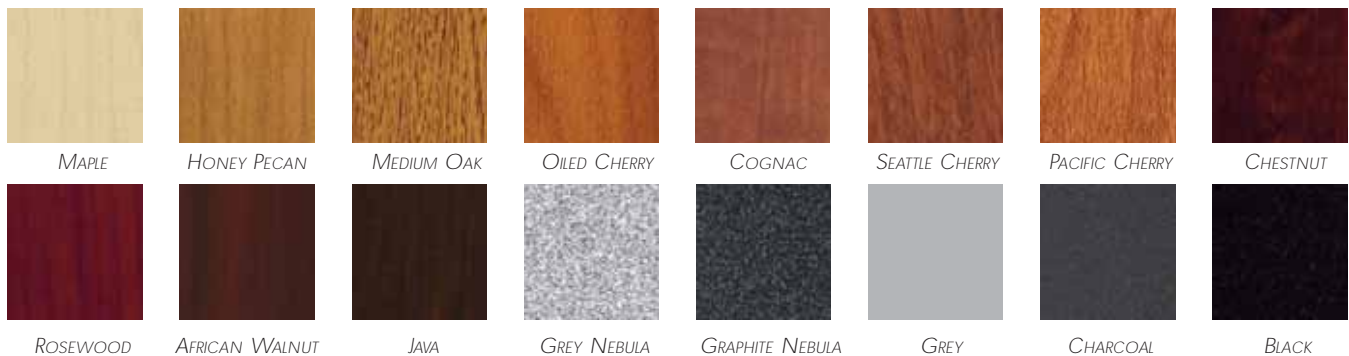

To meet the ever-increasing demand for quick, reliable delivery of office furniture, we developed our QuickShip collection of Maverick Series components to make furniture available in 48 hours from the time your order by fax is entered. More than 100 components are available in 16 colors in your choice of single or combined colors. The QuickShip emblem  can be found in our literature to denote furniture available in 48 hours.

Available  upgrades and options include: Full modesty panels, full pedestals, grommets, handles, pedestal locks, face locks, center drawers and keyboard trays.
